

# Starting to Sail Choosing Topper

At Topper, we pride ourselves on the level of service we provide to our sailors and parents. Whether you're already a member of a club looking to buy your first boat, or completely new to the sport altogether, we are here to help!

## Why Topper?

There are many entry points to sailing, but none give you the variety and support that a Topper offers. A recognised Olympic pathway, The Topper is a clear choice for any who want to try competitive sailing. With many of the world renowned sailors starting out in this class, it's a sure fire way to build confidence and race among peers within a friendly community.

### A Way of Life

Joining the Topper Class teaches important life skills such as dedication, commitment, and teamwork. With easy transportation on-top of a vehicle, learning to sail in a Topper will take you to amazing places worldwide. It's a fun and safe environment to thrive, in a sport that always excites!

### Local Sailing Clubs

With Toppers positioned in sailing clubs across the country, we can advise and recommend the best for you. Joining a club offers a host of benefits such as; access to essential facilities, a social hub, staying up-to-date with news/ events and even keeping your boat on-site rather than transporting.

### Try Before You Buy

With anything, you'll never know until you try! This is why we offer test runs of the Topper at Bray Lake in Windsor. Our Sales Manager, Jon, has over 30 years experience instructing Water-sports and Racing to International level, and can provide 1-on-1 training sessions free of charge. With changing facilities, a cafe and other activities available the whole family can attend for a great day out. For more information, please contact:

### Outstanding Service

Much loved by the Topper community our dedicated Sales & Race Manager, Russ, is always on-hand to support you. With an on-the-road parts and repairs shop, he attends various events across the country to fix or replace equipment. He is also a font of knowledge for parents and those wishing to join the class, offering general advice and after-care for all our Topper Sailors. For more information, please contact:
