CLUB RACER

The modern and stylish Topaz TAZ is often sailed singlehanded but there is plenty of room for two sailors to sail together. On one hand, a child as light as 30kg can handle a Taz, and on the other the Taz has capacity to carry 90kg, meaning that two children or an adult and child can sail together.

The hull is deceptively spacious and has the same cockpit capacity as some more expensive rivals. The unrivalled Topaz TRILAM construction produces a supremely durable hull with high levels of buoyancy. At just 40kg, the hull is also impressively lightweight making the boat manageable afloat and ashore even for very young sailors.

The TAZ comes with a mainsail and jib as standard. The hard wearing Dacron main and jib is favoured by first-time sailors, schools, clubs and holiday companies.

The rig is simple and lightweight enough to be operated by a child singlehandedly, although the Taz is often used as a two person trainer or recreational dinghy.

It uses the same rudder and daggerboard as the Topper, which are capable of dealing with all the knocks and bumps of beginner sailing. The self-draining cockpit, righting lines and grab-rails help make the Taz extremely safe to sail.

The Taz comes fitted with the highest specification equipment as standard making the boat a pleasure to sail and keeping gear failure to an absolute minimum. The hull also comes with a 3-year hull warranty.

## Topaz TAZ Plus

Length	2.95m
Beam	1.20m
Crew	1-2
Hull weight	40kg
