The Ranger has a very spacious cockpit with the capacity to comfortably carry two adults. The cockpit also has additional seating with two seats positioned at the front of the cockpit and a fibreglass thwart in the centre together with seating on the side of the boat.

The Ranger is also fitted with a Gnav-System on the boom to further optimise the cockpit space. The boom is the right height to give good clearance for junior crew.

The lightweight pivoting centreboard and rudder make for easy, family-friendly sailing. Sails are available in Dacron for durability. A trapeze kit is also available as an option. The lightweight rig with pivoting mast-foot enable you to raise and lower the mast single-handedly.
