- » Main: 6.45m²
- » Jib: 1.75m²
- » Gennaker: 7.00m²
- » PY: 1137

The Topaz Fusion comes with a choice of rig options so the boat can be set up to suit you. The hull comfortably holds two adults of any size so can be sailed singlehanded or as a two person dinghy.

The Topaz Fusion Plus is one of the most popular rig options and one of our best sellers. The Fusion Plus offers great value as a simple one or two person boat. It is easy to handle with a 5.25m² un-battened Dacron main sail and a 1.75m Dacron jib. This rig option provides a great introduction to sailing as well as being an ideal multi-purpose family dinghy.

The Topaz Fusion Pro rig offers extra performance with the use of a more powerful 6.45m² battened Dacron mainsail.

The Topaz Fusion Pro Gen rig is for more experienced sailors featuring the addition of a 7.0m² asymmetric Gennaker. The asymmetric system is simple, easy to use, easy to rig and takes the boat to yet another level.
